Ha auriton letter Subject.

One of the Pariahmarks of the Chattram at Hommali now working in the Raghavendraswami matt at Anjanapura may be allowed to continue to work there.

LAST REFERENCE:—

Letter No. 26/111 dated 8th July 1904 from the Dy Commr, Shimoga District.

The Dy Commr solicits instructions whether to continue or not the arrangement of lending the services of one of the two Pariahmarks of the Chattram at Hommali to work as hereto-fore in the Raghavendraswami matt at Anjanapura, near Honnali.

It is stated that the arrangement has no existence for the past, but the Math

have not been able to produce any authority sanctioning the arrangement, which is, on the face of it, irregular. The Sarvekarak should, in my humble opinion, be ordered to revert to duty at the Head Chattram.

I had showing the establishment and other heads of expenditure of the Chattram may be called for with a view to see whether any reduction can be effected in the expenditure.

Sir,

I have the honour to state that there are two Parichakas on a salary of Rupees 3-2-0 each per mensem borne on the establishment of the Government Amrichatteram at Honnali. Out of these two, one has been working in Sri Raghavendraswami-matt at Anjanapura which is a part of Honnali town.

2 There is nothing

to know under what authority this has been done.

3. On a reference to the matt authorities on the subject Gurumayachar, Archik of the matt, says that one of the Panchanka of the Bhattacharya has been working in the matt for a long time i.e for the last 100 or 150 years or so. - No record is forthcoming to support it.

4. Under the circumstance I beg to solicit instructions as to whether the Panchanka is to be allowed to continue to work in the matt as usual.

5. The memorandum correspondence on the subject ending with Narasimha I

Amildar's Bill . No 682
dated 28th June 1904 is here-
with sent for reference and
kind return.

I do not see why
the existing

disturbed
Moreover this
matter – if it is
to be dealt in

appears more suited
to the temples over
